**(Note: This is the general programme for all 460 participants for their Beijing part of the visit. It can be a bit hectic for the organisers so please do your best to support Hanban and IOE Confucius Institute coordinators in making this a successful end of the China visit. Teachers are advised to tailor this general programme into a more specific one for their own schools if needed.)**

**\*\*\*Five groups are given different color coding for ease of recognition.\*\*\***
