

In a Year 7 PSRE lesson

In a Year 7 MFL lesson

Mandarin Chinese CLIL...

- Increased relevance to the level of maturity and cognitive ability of secondary school students
- Greater motivation through communication in the TL
- Stronger inter-cultural awareness
- Linked with transferrable skills practised at Bohunt School

Language of learning

Introduction to Tennis

Language for learning

*e.g. Good shot!
How do you do this?
Is this right?
AFL language*

Language through learning

e.g. Body muscles (Tri-ceps, Bi-ceps, Quads, Hamstring)

The Language Triptych

Coyle, Hood, Marsh, 2010

Challenges and Suggestions

- Don't compromise the content by oversimplification
- Be selective and precise with input language
- Collaborate across the school
- Provide extra support
- Time implications

Vision

- A model for future immersion projects
- Building links and partnerships
- Providing best possible resources
