

## IOE CI Mandarin Excellence (MEP) Teacher Training Videos

- 4 classroom-based films featuring best practice Chinese language teaching
- Provides teachers/trainee teachers with valuable online resource
- Fills the gap in the market for real classroom teaching films
- Films are unique and provide schools/teachers with a modern resource

CONFUCIUS  
INSTITUTE**

## MEP Teacher Training Videos – Pre-production steps

1. Develop a lesson plan featuring familiar general language and Chinese-specific language pedagogy topics
2. 6 production companies present ideas for delivering the project
3. Topline Comms are the chosen production company
4. IOE CI recruit 4 teachers to deliver the lessons

INSTITUTE

## MEP Teacher Training Videos – Filming in the classrooms

- Fly on the wall, documentary style to capture authenticity
- On filming days there were 4 cameras, 2 IOE CI members, 6 film crew, 20 students and a teacher in the classroom
- Students and teachers quickly adapted to the filming

CONFUCIUS  
INSTITUTE**

## MEP Teacher Training Videos – Post-production

- 4 classroom films in total –1 hour long
- 4 films also divided in shorter clips – 140 clips, 3 minutes long, 1-3 topics
- Films and clips hosted on content management system – search for clips on different topics
- For use in CPD, IOE CI training in the UK, IOE CI training in China
- Plan to use with PGCE students in collaboration with PKU

## IOE CI Teacher Training Videos

- Never been seen before resource
- Films will raise the profile of Chinese language teaching
- Resources will be launched on our website
- Come and find out more in the Drama Studio after this plenary!
