

## I spy.....A Meme!

This is a cat's internal conflict talk.

How many **adjectives**, **intensifiers**, **question words** and **connective words** could you spot from this Meme? Colour code each type of words and write their English meaning aside.

Challenges:

1. Could you try to translate a few lines in the meme? You don't have to know each word to get the gist of the meme.
2. How many times “太...了” has appeared? Could you write a couple of sentences using “太...了”?
3. What is the cat's internal struggle?

**Glossary:**

è                      shēng huó

**饿** hungry **生 活** : life

shuì bù zháo

shuì zháo le

xǐng le

**睡 不 着** : can't fall asleep; **睡 着 了** : fall asleep **醒 了** : wake up

## Description Words Practice Sheet

Read the Chinese Memes, circle out the **descriptive words (adjectives)**, write down English translation aside each descriptive word.

Challenge 1: Choose 2 memes to translate.

Challenge 2: Choose at least 2 adjectives, and use either **不但...而且...or 虽然...但是...or 又...又...** to write at least 1 sentences in Chinese.

Super Challenge: Add intensifiers to your sentence.
